

Receiving a work approval notification

If you have been awarded a contract to complete a job with Crawford, then you will receive a work approval notification as follows.

You may have received this because you provided the preferred quote or you could have had a direct fast track approval to complete some work/provide some goods.

If you have already been registered for login details to our Supplier Portal, then please enter your credentials in the login page.

The screenshot shows a login interface for the Crawford Centric Supplier Portal. It features a white login box centered on a background with a blue top half and a grey bottom half. The login box contains two input fields: 'Username or Email Address' with a person icon and 'Password' with a key icon. A red circular button with a white right-pointing arrow is positioned to the right of the password field. Below the input fields is the Crawford logo and the text 'Centric • Supplier Portal'. At the bottom of the login box is a blue button labeled 'FORGOT PASSWORD?'.

If this is the first time you have used our system, then you will need to go through a verification process, which will have been sent to you as a separate email.

If you have not received this email then please contact NZClientAdmin@crawford.co.nz
